Subject: FW: Ventilation/IAQ Meeting on Friday, May 12

FYI.

I will be traveling next week. Please keep Fri May 12 open until I have feedback re the attendance (This session would be after the completion of the WSA meeting on Thursday).

Regards,
Roger

Subject: Ventilation/IAQ Meeting on Friday, May 12

Hello everyone,

Both Matt and Roger have requested a meeting on Friday, May 12 (the day after our WSA meeting ends) to discuss ventilation and IAQ/exposure issues where both WSA and WRA are responsible and the synergies which need to happen between the two groups. The meeting would probably last 2-3 hours and should be finished by noon on that Friday. Please let me know if you would be available for such a meeting so proper arrangements can be made.

Thank you,

-L
